The ELibUkr project: new opportunities for digital data access in the DonNTU Library

Voropayeva Viktoriya, PhD, associated professor,

1921-2011

ELIBUKR

- The ELibUkr is a nation-wide linked Electronic Library/Knowledge Centers network that will provide academics, students and practitioners enhanced access to the world's slightized network of academic and research information thus promoting the active use of local, regional, and global information.
- The project was initiated by the Kyiv Mohyla Foundation of America and Kyiv-Mohyla Academy and supported by USAID and participating universities. The current participants include:

 - v National University of Kyin Mohyla Academy,
 Y Yuriy Fedkovych Cherrixis National University,
 Y Yuriy Fedkovych Cherrixis National University,
 Y N. Karzain Attackiv National University,
 Doneste National Technical University,
 Doneste National Technical University,
 Samsy State University,
 Samsy State University,
 Samsy State University,
 Y Samsy State University,
 Y Tempoll Van Pully Jamson II Centical University,
 Y Tempoll Van Pully Jamson II Centical University,
 Ultraintan Academy of Bainal Technical University,
 V Hangian Academy of Bainal Technical University
 V Yasy Stefanyk, Lvv National Scientific Library of Ukraine,
 Y Valya National University of Leopa Ukraine,
- ✓ Volyn National University of Lesyn Ukrainka.
 The project provides access to digitized global academic and research information and an opportunity for Ukrainian academics and researchers to share their publications with the world:
 ✓ 35 abschede databases.
 ✓ 200,000 students, 12,000 university faculty members.
 ✓ 600 training sessions for users, 14 sessions for trainers.
- ♣ Participating at Library Innovation & E-Governance Fair (April 2011)

New opportunities for DonNTU Library through participation in the ELibUkr project

- Financing of chosen resources subscription:
 Hinary (including Oxford Journals, ScienceDirect),
 ProQuest,
 OTOR
 Electronic Delivery of Documents.
 Consulting and methodological support:
 training sessions for users & trainers,
 development of instructions and guidance documents for librarians,
 assistance in selecting and installing software for the electronic archive.

Digital data DonNTU Library in 2011 library.donntu.edu.ua Prepaid electronic resources:

- Prepaid electronic resources:

 4 Full text PhD and master's dissertations & Theses ProQuest;

 4 Articles & Conference Materials of Institute of Physics (IOP):
 European Journal of Physics, IOP Conference Series: Materials
 Science and Engineering, Journal of Optics, Communications in
 Theoretical Physics, Computational Science & Discovery,
 Nanotechnology, Modelling and Simulation in Materials Science
 and Engineering;
 4 Journals articles of SpringerLink by collections (via URAN);
 Architecture and Design, Behavioral Science, Biomedical and Life
 Sciences, Computer Science, Earth and Environmental Science,
 Engineering, Humanities, Social Sciences and Law, Mathematics
 and Statistics, Medicine, Physics and Astronomy, Professional and
 Applied Computing;
 4 Full text dissertations & Theses of Russian Scientific Library;
- ≠ Full text dissertations & Theses of Russian Scientific Library;
- ♣ Abstract journals of VINITI (on Russian);
- ↓ Data Bases LeonormInform, Liga-Zakon, Zodchiy, PolPred (on) Russian)

♣ Over 60 test accesses to different e-journals, e-book and data bases Own generation resources:

≠ E-catalog

Electronic archive of Donetsk National Technical University http://ea.donntu.edu.ua:

- ♣ Goal is to maximize usage, impact, value and progress of
- Tresearch

 Whita we have done:

 Installed Dspace Server.

 The structure of the archive is in accordance with the structural organization of the University (institute faculty department).
 - O Draft regulations on the EA considered the Faculty
- Academic Council.

 Appointed manager of EA and responsible for the structural subdivisions.

 652 documents are available in the Electronic archive of Donetsk National Technical University

 We need to promote the idea of open access among scholars DonNTU
